

Associate Teacher at iTeach Schools

Overview

iTeach Schools is a fast-growing, Teach For India alumni led start-up, focused on providing a free, foundational and excellent education to secondary students. We currently operate six, Grade 8 to Grade 10 schools, in a collaborative initiative with the PMC and our funding partners. Our six schools serve about 1100 students and 330 student alumni. Read more about us at www.iTeachSchools.org

100% of the students coming to iTeach Schools are from under-resourced and difficult backgrounds. The lack of access to good education and opportunities creates a huge achievement gap. The secondary grades are the last lap of intervention for these students, and most likely, the only chance we have left to level the playing field between them and their high-income peers. Education is one sure means for these students to break the circle of poverty.

In the Academic Year 2019-20, we are looking at starting more schools, and are looking for an exceptional instructional leader to serve as an Associate Teacher at our schools

Key Responsibilities

- Maintain focus on high student achievement, modelling excellent instruction and supporting student development
- Design and present units and lessons that will engage students to learn skills and concepts at a deep level

- Use data to drive decision making around planning and execution
- Identify and select instructional resources to meet the needs of the students with varying backgrounds, learning styles and special needs
- Design a variety of assessments to understand how students are learning and to evaluate their progress
- To execute lessons effectively with strong management and opportunities for students to learn actively and receive feedback
- Communicate learning goals and objectives to students at the beginning of the academic year, unit and every lesson
- Build a positive school culture that supports students' academic, extra-curricular, cultural and socio/emotional needs
- Ensure that disciplinary guidelines are fairly and consistently applied
- Establish and maintain collaborative working relationships with students, parents, community and school team
- Communicate with students, teachers and parents about student progress
- Provide for transparent, constructive and ongoing evaluation of self and peers

Experience

- Bachelor's degree with exceptional teaching experience of 0-3 years
- B.ed degree in content area of choice (Preferred)

Competencies

- Advanced proficiency in Unit Planning, Lesson Planning and Execution
- Extremely driven with flexible work timings
- Excellent written and oral communication
- Demonstrates strong work ethic, willingness to learn and reflect critically
- Strong instructional knowledge and expertise
